

Youth Group

2014 ANNUAL REPORT

What a great year for the youth group! It's a great bunch of kids who are busy with jobs, family and sports, so we love spending time with them when we can.

They attended/were involved with many church activities including "Beyond the Bunny," Vacation Bible School, Rally Day, CROP Walk, Fall Family Fun Night, and the Harvest Supper where we sponsored a sundae bar.

The group delivered valentines in cute 1x6 mailboxes while visiting some of the shut-ins, did some Christmas shopping for our sponsored family and made wreaths as a fundraiser. Some of our favorite activities were both the Mother's Day and Father's Day breakfasts!

Last winter we enjoyed a chili cook-off and two separate sponsored movie nights. This winter we made (and ate) gingerbread houses and handed out old-fashioned filled stockings to the younger kids.

Also, just for fun, we bonded over laser tag in Holland and a corn maze and apple gun at Lewis Farm. Our average attendance was five and we are so looking forward to 2015!

Respectfully,

Colleen Clark, Youth Leader
