

# Youth Group

## 2013 ANNUAL REPORT

How blessed we are! We have a very diverse, eclectic group of kids in our youth group with a wide range of ages, interests, and talents. Along that note, we had a great variety in activities. We provided an outdoor community movie and a Mother's Day breakfast. The kids attended many church activities as a group such as Fall Family Fun Night, the All-Church Picnic, and walked the Crop Walk together. We enjoyed snow tubing at the Double JJ, a corn maze and some movie afternoons. We decorated and auctioned mini Christmas trees, painted the church windows and gave out old-fashioned Christmas stockings to younger children. We also got a lot of enjoyment shopping, packing, and sending presents to needy children through Samaritan's Purse. We averaged 6 kids per activity and look forward to 2014.

Respectfully,

Colleen Clark, Youth Leader
